**COUNT 1: Workers' Compensation Fraud
A Felony, 21 O.S. § 1663**

On or about the 31st day of July, 2002, within the County of Rogers, State of Oklahoma, the Defendant, **WILLIAM BRADFORD ADAMS, a/k/a BRAD ADAMS**, did unlawfully, willfully, intentionally, knowingly and feloniously commit the crime of **WORKERS' COMPENSATION FRAUD** as follows:

The Defendant, with intent to defraud and deceive Dr. Dwight J. Korgan, M.D. and the City of Tulsa, with respect to a claim for payment or other benefits pursuant to a contract of insurance, did knowingly, intentionally and fraudulently present false, misleading or incomplete statements concerning facts material to his workers' compensation claim, specifically as follows:

The Defendant filed a workers' compensation claim for benefits on February 6, 1997, for an injury to his neck and right elbow while employed as a Captain with the Tulsa Fire Department. He later included injuries sustained on March 29, 1996 and April 19, 1996. The Defendant has been a patient of Dr. Dwight J. Korgan since 1991 and has been under his care since then. On July 31, 2002, he was examined by Dr. Korgan and continued to have complaints of severe and extreme neck pain, frequent hand trembling and tingling, burning and numbness in his hands, gait shuffling and progressive weakness in his legs to the point he feels as though they are going to give out beneath him and he falls occasionally. The Defendant represented a decreased range of motion to the entire cervical spine - all directions, was wearing a brace on his right leg at the time of his examination and needed help to stand and balance. Defendant moved around with jerky motions and writhed in pain from time to time. Based upon the representations, Dr. Korgan found that he was totally disabled and could not tolerate eight hours in any occupation.

The Defendant did present these statements and representations with the intent to defraud and deceive Dr. Dwight J. Korgan, M.D., and the City of Tulsa, when he then and there knew that the said statements and representations were false, incomplete or misleading, all of which is contrary to the provisions of 21 O.S. § 1663(C)(1) of the Oklahoma Statutes and against the peace and dignity of the State of Oklahoma.
