

MIKE HUNTER
ATTORNEY GENERAL

ATTORNEY GENERAL OPINION
2021-6A

Kim Glazier, Executive Director
Oklahoma Board of Nursing
2915 N. Classen Blvd., Ste. 524
Oklahoma City, Oklahoma 73106

January 5, 2021

Dear Executive Director Glazier:

This office has received your request for a written Attorney General Opinion regarding action that the Oklahoma Board of Nursing intends to take in case 3.2020100238.21. In February 2019, the licensee was reported to have physically abused a patient. When the Board attempted contact, the licensee failed to cooperate with the investigation. The Board proposes to temporarily suspend the license pending a hearing on the merits of the complaint.

The Oklahoma Nursing Practice Act authorizes the Board to impose discipline when a nurse “[f]ails to adequately care for patients or to conform to the minimum standards of acceptable nursing” in a way that “unnecessarily exposes a patient or other person to risk of harm,” “[i]s guilty of unprofessional conduct,” or “[i]s guilty of any act that jeopardizes a patient’s life, health or safety.” 59 O.S.Supp.2020, § 567.8(B)(3), (7-8). The Board may reasonably believe that the proposed actions are necessary to deter future violations.

It is, therefore, the official opinion of the Attorney General that the Oklahoma Board of Nursing has adequate support for the conclusion that this action advances the State’s policy to protect public health, safety, and welfare by ensuring nurses meet minimum standards of professional conduct.
